

H&mH CONFERENCE PROGRAMME

The Programme may be subject to changes and the organiser reserve right to modify the schedule without giving prior notice (you may receive Programme up dating from the web site : <http://soalinux.comune.firenze.it/cicop>)

WENDSDAY, 3 April 2002

- h:08.30-10.00** **Registration**
- h:10.00-12.00** **Opening Ceremony**, welcome of the Organising Committee and the local Authorities
- h:12.00-12.30** **Premiazioni**
h:12.30-13.00 **Key-Note Lecture**, Francesco Bandarin, UNESCO, "Modern Heritage as World Heritage: the activities of the UNESCO World Heritage Centre to promote the identification and conservation of modern heritage"
- h:13.00-13.30** **Key-Note Lecture**, **John Watt, David Ball**, Middlesex University, U.K., "A framework for integrated risk management of cultural heritage"
- h:13.30-14.45** **Welcome reception**

FIRST SESSION

HALL 1: Natural hazards

Chairpersons: Andrea Vignoli, University of Florence, Italy;. Giorgio Penelis, Aristotle University of Thessaloniki, Greece; Milos Drdacky, Accademy of Sciences of Czech Republic

- h:14.45-15.15** **Key-Note Lecture**, Giorgio Penelis, Aristotle University of Thessaloniki, Greece, "Seismic Risk Management"
- h:15.15-15.30** Efthymios Lekkas, Varvara Antoniou, Stylianos Lozios, University of Athens, Constantinos Ioannidis, Consultant Ministry of Development, Greece, "Seismic risk management in historical cities: the case of municipality of Rhodes"
- h:15.30-15.45** Efthymios Lekkas, University of Athens, Greece, "Istorical monuments and risk by natural disasters in Dodekanesus"
- h:15.45-16.00** Irena Wasserman, National Building Research Institute, Israel, "The trouble with the limestone cladding at the Central Israeli Offshore Zone (the case study)"
- h:16.00-16.15** Sergio Nencioni, Università degli studi di Firenze, Italy; Graciela Valletta, Universidad de la Rep. Del Uruguay; Griselda Sandoval, "Restoration of the "Plaza de Toros" – Real de San Carlos, Colonia del Sacramento-Uruguay"
- h:16.15-16.30** Roberto Paolo Ciabilli, Paulo Henrique Tsingos, Felice Cavalli, Italy, "The use of grouting materials in the rehabilitation of damaged structures"

HALL 2: Man made hazards

Chairpersons: Panayiotis Carydis, National Technical University of Athens, Greece; Katalin Kiss, Department of the Mayor's Office of Budapest, Ungary; Chris Page, Nottingham Trent University, UK

- h:14.45-15.15** **Key-Note Lecture**, **Angel L. Fernandez**, Universidad Europea, Spain, "Recovering UTOPIA: Architect Antonio Palacios and the 'Círculo de Bellas Artes' in Madrid"
- h:15.15-15.30** Daniela Tomšič, Istituto per la tutela dei beni culturali della Slovenia, Slovenia, "Modern regional identity preservation of the slovene coast within its mediterranean context"
- h:15.30-15.45** Roberto Solimene, University of Naple Federico II, Italy, "The strenghtening interventions as a solution to the vulnerability of masonry buildings of the "societa' pel risanamento di Napoli".
- h:15.45-16.00** Giacobbo Scavo, ISPESL, Italy, "Technical safety problems on the excavations"
- h:16.00-16.15** Aldo de Marco, Vincenzo Iannizzaro, Pierfrancesco Fiore, Enrico Sicignano,

- Università degli studi di Salerno, Italy, *“La durata del costruito: le influenze delle azioni dell’uomo. il quartiere INA casa “Zevi” a Salerno”*
h:16.15-16.30 Kyriakos K. Papaioannou, Aristotle University, Greece, *“Fire performance of archaic materials and elements”*

HALL 3: Risk assessment and management

Chairpersons: John Watt, Middlesex University, UK; Chan Ghee Koh, National University of Singapore, Sandro Chiostrini, University of Florence, Italy

- h:14.45-15.15 **Key-Note Lecture**, Katalin Kiss, Department of the Mayor’s Office of Budapest, Hungary, *“Local protection and preservation of the architectural heritage: the Budapest experience”*
- h:15.15-15.30 John Reyers, Nottingham Trent University, UK, *“Managing liability for projects on heritage buildings”*
- h:15.30-15.45 Panagiotis Sotiropoulos, Petros Koutsokos, University of Patras, Greece, *“Technological documentation of historical buildings in north-western Peloponnese”*
- h:15.45-16.00 Audrone Kasperaviciene, ICOMOS Lithuania, *“Vulnerability of XX century built heritage in Vilnius”*
- h:16.00-16.15 Gianluca Iori, Italy, *“ADIPP project. Pistoia’s province integrated digital archives”*
- h:16.15-16.30 Giovanni Fontana Antonelli, UNESCO World Heritage Centre, France, *“Il patrimonio architettonico del XX secolo in Africa. Degrado e proposte conservative”*
- h:16.30-17.00 **Coffee break**

SECOND SESSION

HALL 1: Natural hazards

Chairpersons: Efthymios Lekkas, University of Athens, Greece; Irena Wasserman, National Building Research Institute, Israel; Maria Karaveziroglou-Weber, Aristotle University of Thessaloniki, Greece

- h:17.00-17.30 **Key-Note Lecture**, C. G. Koh, National University of Singapore, Singapore, *“Vibration-based assessment of old structures”*
- h:17.30-17.45 Risto Suikkari, University of Oulu, Finland, *“Vulnerability of the finnish wooden town tradition”*
- h:17.45-18.00 Cesare Renzo Romeo, Politecnico di Torino Il Facoltà di Architettura, Italy, *“Concrete between diagnosis and therapy: an experimental comparison among PND (non destructive testing) for recognition of anomalies (present in the material)”*
- h:18.00-18.15 Stefano Andreos, Università di Trieste; Aldo de Marco, Federica Ribera, Università di Salerno, Italy, *“La durata del costruito: influenze degli agenti atmosferici e della inefficace manutenzione”*
- h:18.15-18.30 Vito Renda, Pierre Pegon, Georges Magonette, Armelle Anthoine, Javier Molina, Riccardo Bossi, Daniel Tirelli, Joint Research Centre, Italy, *“JRC experimental testing on masonry and architectural heritage structures.”*

- h:18.30-18.45** Tessi Sali, Ionian University of Greece, *"Greek traditional masonry lintels and their behaviour in earthquake environment"*
- h:18.45-19.15** **Key-Note Lectures**, Panayotis Carydis, National Technical University of Athens, *"Earthquake engineering problems and proposals for their solutions in retrofitting of masonry monuments"*,

h:21.00 **Dinner offered by Local Authorities**

HALL 2: Man made hazards

Chairpersons: Angel L. Fernandez, Universidad Europea, Spain; Maria Angela Manzoni, Italy

- h:17.00-17.30** **Key-Note Lecture**, Eleni Andreadaki–Chronaki, Rea Tassiou, Eva Athanassakos, Greece, *"Energy efficiency of buildings: their energy and environmental certification"*
- h:17.30-17.45** John H. Lane, Nottingham Trent University, UK, *"Detrimental aesthetic effects of fenestration replacement in domestic housing"*
- h:17.45-18.00** Marco D'Orazio, E. Quagliarini, G. Morlacco, A. Stazi, Università degli Studi di Ancona, Italy, *"Protection of the xx century architectural surfaces from "graffiti""*
- h:18.00-18.15** Roby Morreale, Emanuele Taddei, A.S.A. SpA, Italy, *"Neoclassicismo labronico e le influenze liberty: recupero delle terme "acque della salute" a Livorno"*
- h:18.15-18.30** Antonella Guida, Università della Basilicata; Fabio Fatiguso, Politecnico di Bari, Italy, *"Tradition and innovation in the building and environmental restoration of the "sassi" of Matera"*
- h:18.30-18.45** Ρεγγίνας Οικονομίδου, Greece, *"Επεμβασεις Αποκαταστασης Στην Ιταλοκρατουμενη Πολη Της Ροδου"*
- h:18.45-19.00** Olatunji Abimbola Modupe, Nigeria *"Tourism and environment enchancement in Nigeria: Osun Osogbo Festival as a paradigm"*

h:21.00 **Dinner offered by Local Authorities**

HALL 3: Risk assessment and management

Chairpersons: John Reters, Nottingham Trent University, UK; Petros Koutsokos, University of Patras, Greece

- h:17.00-17.30** **Key-Note Lecture**, Pier Paolo Mattioni, Municipality of Orvieto, Italy, *"Tutela e manutenzione dell'ambiente naturale e costruito: il caso di Orvieto"*
- h:17.30-17.45** Carlotta Fontana, Valerio Di Battista, Politecnico di Milano, Italy, *"La gestione delle informazioni per la sicurezza del costruito-alcune esperienze italiane"*
- h:17.45-18.00** Giovanna Franco, Università degli Studi di Genova, Italy, *"Quality evaluation of 20th century residential building stocks: an european project"*
- h:18.00-18.15** Joseph Z. Ben-Asher, Technion ITT, Joseph Zack, Moshe Prinz, Israel, *"Development program risk management: principles and a test case"*
- h:18.15-18.30** Attilio Nesi, Francesco Bagnato, Alberto De Capua, Massimo Lauria, Università Mediterranea di Reggio Calabria, Italy, *"Strumenti per la guida e il controllo tecnico del progetto e dei processi realizzativi negli interventi nei centri storici minori della Regione Calabria"*

- h:18.30-18.45** Παναγιώτης Τουλιάτος, Κωνσταντίνος Χατζηαντωνίου, National Technical University of Athens, Greece,
“Επισημανση, Καταγραφη Αναλυση Και Διασωση Τοπικων Ιστορικων Δομικων Συστηματων Στο Αιγαίο”
- h:18.45-19.00** Amadi Blessing Lola, Nigeria, *“Lack of a coherent heritage system: Nigeria Festac 1977”*
- h:21.00** **Dinner offered by Local Authorities**

THURSDAY, 4 April 2002

h:08.00-09.00 **Registration**

FIRST SESSION

HALL 1: Culturale Heritage

Chairpersons: Maria Kampouroulou, University of Aegean, Greece; Daniela Tomsic, Institute of cultural heritage preservation of Slovenia; Roido Mitoula, Harokopeio University of Athens, Greece

- h:09.00-09.30** **Key-Note Lecture**, Jorge Néstor Bozzano, University of Buenos Aires, Argentina
“The places of tango”
- h:09.30-09.45** Stefanou Joseph, Kallikanzarou Helena, N.T.U.A., Greece, *“Government’s and Local Authority’s role in planning the protection of cultural hereditament”*
- h:09.45-10.00** Alberto Satolli, CICOP Italy, *“Architettura storica e moderna: conoscenza e informazione come strumenti di salvaguardia”*
- h:10.00-10.15** Maria Angela Manzoni, Italy, *“Valore culturale dell’architettura moderna e modificazioni d’uso: l’abitazione moderna e le sue trasformazioni: Milano, qualche esempio concreto”*
- h:10.15-10.30** Maria-Christina Georgalli, Greece, *“Morphological problems in touristic development in the central aegean: the cases of Amorgos and Astypalaia”*
- h:10.30-10.45** Tiziana Campisi, Giovanni Fatta, Calogero Vinci, Università degli Studi di Palermo, Italy, *“Un’architettura specialistica dei primi del XX secolo: i bagni-lavatoi pubblici”*

HALL 2: Man made hazards

Chairpersons: Adriana Ciaccio, Italy; Pasquale Putrella, University of Naples Federico II, Italy; Nikos Alevras, Greece

- h:09.00-09.30** **Key-Note Lecture**, Maire Mattinen, National Board of Antiquities, Finland, *“Problems in conserving modern heritage”*
- h:09.30-09.45** I. K. Papaefthiou, Greece, *“Μαζικός τουρισμός και επεμβάσεις στην πόλη της κω”*
- h:09.45-10.00** Piero Michieletto, Istituto Universitario Architettura Venezia, Italy, *“Risk assessment and management in restoration of a theatre of 20th century: a case of study”*
- h:10.00-10.15** Flavia Fascia, Renato Iovino, Università degli Studi di Napoli Federico II, Italy, *“The passive prevention to goals fireproof in a historically consolidated building”*
- h:10.15-10.30** Enrico Gori, I.S.P.E.S.L., Italy, *“Risks assessment and management: workers risks; safety and coordinative plan”*
- h:10.30-10.45** Alessandro Gaiani, Università degli Studi di Ferrara, Italy, *“Preservazione dei caratteri tipologici: rilievo e riqualificazione d’uso di edifici d’abitazione del moderno a Milano”*

HALL 3: Natural hazards

Chairpersons: Constantinos Ioannidis, Ministry of Development, Greece ; Varvara Antoniou, National Capodistrian University of Athens, Greece; Graciela Valletta, University of Uruguay

- h:09.00-09.30** **Key-Note Lecture**, Andrea Vignoli, Giovanni Lavacchini, Università degli Studi di Firenze, Italy, *“On safety evaluation of r.c. existing structures: in-situ assessment of concrete strength”*

- h:09.30-09.45** Pertziniadis Ilias, Greece, *“Proposals for the restoration of the tower at the old boatyard of the agios pavlos monastery”*
- h:09.45-10.00** Silvia Pennisi, Università degli Studi di Palermo, Italy, *“L’edilizia residenziale pubblica a Palermo tra le due guerre: aspetti legati alla vulnerabilità”*
- h:10.00-10.15** Vicente Martínez Pastor, University of Alicante ; Moisés Mora García, Spain, *“The residuals of the exploitation of the marble in the restoration of facades”*
- h:10.15-10.30** Marco Mezzi, Università degli Studi di Perugia, Italy, *“The “Lirick Theatre” in Assisi: conservation and restoration of a historic RC building”*
- h:10.30-10.45** Paraskevi Nomikou, National Centre for Marine Research; Dimitrios Papanikolaou, Civil Protection; Efthymios Lekkas, University of Athens, Greece, *“Seismo-volcanic risk in historical places: the case of Nisyros Island”*
- h:10.45-11.15** **Coffee break**

SECOND SESSION

HALL 1: Natural hazards

Chairpersons: Sergio Nencioni, University of Florence, Italy; Roberto Paolo Ciabilli, Italy

- h:11.15-11.45** **Key- Note Lecture**, Miloš Drdáký, Jaroslav Lesák, Academy of Sciences of the Czech Republic, Nina Avramidou, Università degli Studi di Firenze, Italy
“Behaviour of masonry walls strengthened against seismic effects by yarn composite strips or geo-nets mounted on their surface”
- h:11.45-12.00** Enrico Abamo, Luca G. Lanza, Simona G. Lanza, Università degli studi di Genova, Italy, *“Vulnerabilità’ del patrimonio architettonico nei confronti del rischio idraulico ed idrologico”*
- h:12.00-12.15** H. Arbabian, Iran University of Science and Technology (IUST), Iran, *“Architectural issues in earthquake rehabilitation of the iranian cultural heritage (related to topic no: j)”*
- h:12.15-12.30** Francesco Saverio Brancato, Santa Burruano, Antonella Mami, Barbara Salemi, Livio Torta, Università degli Studi Palermo, Italy, *“Flos tectorii: una tipologia di biodeterioramento delle superfici lapidee”*
- h:12.30-12.45** Baila Angela, Politecnico di Torino; Apuani Tiziana, Università degli studi Milano, Italy, *“Analisi strutturali ed architettoniche e indagini geologico- tecniche per la salvaguardia dell’architettura rurale”*
- h:12.45-13.00** Giuseppe Pellitteri, Clelia Buscaglia, Andrea Failla, Matteo Accardi, Giovanni Rizzo, Giuseppina Algozzini, Università degli Studi di Palermo, Italy, *“I CFRP nel restauro delle murature: sperimentazioni per la valutazione della durabilità degli interventi”*

h:13.00-14.45 **Lunch offered by local authorities**

After lunch **City tour with the local municipalities train and visit the Casino of Rhodes**

HALL 2: Natural hazards

Chairpersons: Giovanna Franco, University of Genova, Italy; Carlotta Fontana, Politecnico of Milano, Italy

- h:11.15-11.45** **Key- Note Lecture**, Sandro Chiostrini, Luciano Galano, Università degli Studi di Firenze, Italy, *“Sicurezza strutturale e stato di conservazione della Chiesa dell’Autostrada di Giovanni Michelucci”*
- h:11.45-12.00** Emil-Sever Georgescu, Aurel Botez, Florin Boian, Ion Toma, Gheorghe Rodan, Romania, *“The gate of the Kiss of Brancusi at Targu Jiu, Romania: instrumental investigations and engineering assessment”*
- h:12.00-12.15** Paolo Canuti, Giacomo Falorni, Riccardo Fanti, Università degli Studi di Firenze, Italy, *““Landslide risk mitigation and protection of cultural heritage”: il progetto IJCP-425 in Europa”*
- h:12.15-12.30** Barrie Cooper, Graham & Carol Edds, Australia; Edgardo Pinto Guerra, Honorary Inspector, Ministry of Cultural Heritage, Italy, *“Reducing deterioration caused by salt contamination in culteral heritage items”*
- h:12.30-12.45** Massimo Dringoli, Università degli Studi di Pisa, Italy, *“Vulnerability of modern*

h:12.45-13.00 *buildings near the sea - some cases of study in the territory of Pisa and Livorno*
Ildikó Bucur Horváth, Attila Puskás, Technical University of Cluj-Napoca, Romania,
"Vulnerability of buildings and urban areas on landslide sensitive grounds"

h:13.00-14.45 **Lunch offered by local authorities**

After lunch **City tour with the local municipalities train and visit the Casino of Rhodes**

HALL 3: Natural hazards

Chairpersons: Paraskevi Nomikou, National Centre for Marine Research, Greece; Vicente Martínez Pastor, University of Alicante, Spain; Silvia Pennisi, Università degli Studi di Palermo, Italy

h:11.15-11.45 **Key- Note Lecture**, L. Binda, Politecnico di Milano, Italy, "Investigation, diagnosis and compatible choices for the preservation of the modern patrimony in hazardous areas"

h:11.45-12.00 Chris Page, Ian Jefferson, Matthew Frost, Mike Rosenbaum, Ian Smalley, Nottingham Trent University, UK, "Construction on and in loess ground at the monastery of the caves, Kyiv, Ukraine"

h:12.00-12.15 Gigliola Ausiello, Maria Gaetana Polichetti, Università di Napoli Federico II, Italy, "Verso il restauro del patrimonio moderno a Napoli tra vulnerabilità e conservazione"

h:12.15-12.30 Fabrizio Leccisi, Vincenzo Brandi, Università degli Studi di Napoli Federico II, Italy, "L'azione del sistema sottosuolo-soprasuolo sulla vulnerabilità del patrimonio edilizio della città di Napoli"

h:12.30-12.45 F.V. Karantoni, University of Patras, Greece, "Seismic vulnerability of masonry buildings due to recent earthquakes in south Greece"

h:12.45-13.00 Simona G. Lanza, Università di Genova, Italy, "Il rischio di inondazione ed il patrimonio culturale moderno a Genova ed in Liguria"

h:13.00-14.45 **Lunch offered by local authorities**

After lunch **City tour with the local municipalities train and visit the Casino of Rhodes**

THIRD SESSION

HALL 1: Culturale Heritage

Chairpersons: Beatriz Cazzaniga, Universidad Nacional de Tucumán, Argentina; V. Argyropoulos Technological Educational Institution of Athens, Greece; Athanasios Mpalermpas, National Technical University of Athens, Greece

h:17.00-17.30 **Key- Note Lecture**, Ezio Godoli

h:17.30-17.45 Agostino Catalano, Beatrice Caffarelli, Università di Napoli Federico II, Italy, "La casa del mutilato di Napoli di Camillo Guerra
La destinazione d'uso"

h:17.45-18.00 Gian Piero Calza, Politecnico di Milano, Italy, "Contesti a rischio: trasformazioni urbane e morfologie insediative a Rodi"

h:18.00-18.15 Konstantinos Skoumios, Greece, "The environmental response of the traditional settlement of Koskinou Village in Rhodes"

h:18.15-18.30 Tiziana Basiricò, Università degli studi di Palermo, Italy, "Edilizia economico-popolare a Palermo nel secondo dopoguerra. Il primo settennio del piano INA-casa. analisi e proposte di intervento"

h:18.30-18.45 Cesare Pellegrini, Politecnico di Milano, Italy, "A know how for the physiognomy of modern heritage and of the city in its whole"

h:18.45-19.00 Mary Kampouropoulou, Persa Fokiali, Aegean University of Greece, "Dodecanessian cultural heritage 1912-1943"

h:21.00 **Dinner offered by Mayor of Rhodes**

HALL 2: Risk assessment and management

Chairpersons: Pier Paolo Mattioni, Municipality of Orvieto, Italy; Joseph Z. Ben-Asher, Technion ITT, Israel; Massimo Lauria, Università Mediterranea di Reggio Calabria, Italy

- h:17.00-17.30** **Key- Note Lecture**, Andreas Giakoumakatos, University of Thessaloniki, Greece, *"La salvaguardia dell'architettura del XX secolo: approccio teorico, criteri metodologici e quadro legislativo"*
- h:17.30-17.45** Roido Mitoula, Athanasios Balerbas, Greece, *"Management of cultural heritage in the built environment of Athens in vision of the 2004 Olympic Games"*
- h:17.45-18.00** Nilufer Saglar, Turkey, *"The cultural heritage under the threat of earthquake in Istanbul"*
- h:18.00-18.15** Aghis Anastasiadis, Aristotle University of Thessaloniki, Greece, *"Seismic vulnerability and risk management in urban centers. The case of Thessaloniki"*
- h:18.15-18.30** Vincenzo Calvanese, Università degli Studi di Napoli Federico II, Italy, *"Conoscenza del patrimonio industriale: l'ex centrale elettrica del porto di Napoli"*
- h:18.30-18.45** Giovanni Finzi-Contini, Andrea Spadola, Florence University, Italy, *"Reservoir dam to both store and support water-resources in a small over-exploited valley"*
- h:18.45-19.00** Zippo Rosaria Giuseppina, SINTESI S.p.A., Italy *"Sistemi e Metodologie per una Corretta Riconversione delle Aree Urbane"*

h:21.00 **Dinner offered by Mayor of Rhodes**

HALL 3: Risk assessment and management

Chairpersons: Attilio Nesi, Università Mediterranea di Reggio Calabria, Italy; Petros Koutsokos, University of Patras, Greece; Vito Renda, European Commission, Joint Research Centre, Italy

- h:17.00-17.30** **Key- Note Lecture**, Gennaro Tampone, Università degli Studi di Firenze, Italy, *"Strutture e costruzioni autarchiche di legno in Italia e colonie. Caratteri e criteri di conservazione"*
- h:17.30-17.45** Αγγελική Στρατικοπούλου, Greece, *"Ιταλικες επεμβασεις σε οθωμανικο λουτρό "Αποθηκη Αλατιου " στην κω"*
- h:17.45-18.00** Maria Luisa Germanà, Università di Palermo, Italy, *"la vulnerabilità del patrimonio rchitettonico: tipologie di rischio ed affidabilità degli interventi"*
- h:18.00-18.15** Alberto Sposito, Università degli Studi di Palermo, Italy, *"Demetra ennese e i fasci littori"*
- h:18.15-18.30** Riccardo Cassio, SINTESI S.p.A., Italy, *"Strumenti per il Ripristino di Manufasti Storici Secondo i Principi della Prevenzione dai Rischi e Della Tutela della Salute Umana"*
- h:18.30-18.45** Moropoulou Antonia, Batis Georgios, Bakolas Asterios, Aggelakopoulou Eleni, Karoglou Maria, Katerina Zi, National Technical University of Athens, Greece, *"Marine enviroment impact assessment to Spa historic structure at Kallithea in Rhodes. Planning of appropriate repair and preservation interventions"*

h:21.00 **Dinner offered by Mayor of Rhodes**

FRIDAY, 5 April 2002

h:08.00-09.00 **Registration**

FIRST SESSION

HALL 1: Cultural Heritage

Chairpersons: Jorge Néstor Bozzano, University of Buenos Aires, Argentina; Ezio Godoli, University of Florence, Italy; Andreas Giakoumakatos, University of Thessaloniki, Greece

- h:09.00-09.30** **Key-Note Lecture**, Nina Avramidou, University of Florence, Italy, “Nuovi modelli gestionali per il recupero del patrimonio architettonico: il progetto culturale”
- h:09.30-09.45** Π. Α. Παπαργιάς, Ζεττα Αντωνοπούλου, Greece, “The contribution of political heritage to the improvement of the environment and the development of urban stage”
- h:09.45-10.00** Candido Malta Campos, Mackenzie University, São Paulo, Brazil, “An overlooked legacy: early 20th-century urban heritage in Brazil and the risk of oblivion”
- h:10.00-10.15** Angela M. M. Martins, Brazil, “Priority areas for cultural visitation in downtown Rio de Janeiro”
- h:10.15-10.30** Antonino Margagliotta, Cinzia Lucchese, Università degli Studi di Palermo, Italy, “I cinematografi di Palermo affermazione e crisi di un’architettura del ‘900”
- h:10.30-10.45** Beatriz Cazzaniga, Oscar Paz, Universidad Nacional de Tucumán, Argentina, “Problemática del patrimonio escultórico ubicado en ámbitos internos. El caso del Museo de Bellas Artes “Timoteo Navarro” de San Miguel de Tucumán, Argentina”

HALL 2: Man made hazards

Chairpersons: George Karydakís, Ministry of Culture, Greece; Maire Mattinen, National Board of Antiquities, Finland; Enrico Gori, I.S.P.E.S.L., Italy

- h:09.00-09.30** **Key- Note Lecture**, Georgakopoulos, Greece, “La politica dei governi greci rispetto alla riservazione della cultura dodecannesa-italiana”
- h:09.30-09.45** Adriana Ciaccio, Gianpiero Lepreti, Progetto EùMédia, Italy, “La riconversione energetica per riqualificare il patrimonio architettonico e socio-culturale”
- h:09.45-10.00** Pasquale Petrella, Daniela Marinelli, University of Naples Federico II, Italy, “The Mausoleo of Posillipo of Camillo Guerra in Naples: crisis of values, crisis of building”
- h:10.00-10.15** Raffaella Baraldi, Luigi Mollo, Seconda Università degli Studi di Napoli, Italy, “Conoscenza e salvaguardia dell’architettura italiana del novecento: la Mostra delle Terre Italiane d’Oltremare (Napoli-1940)”
- h:10.15-10.30** V. Argyropoulos, Technological Educational Institution of Athens; Z. Antonopoulou, Municipality of Athens; A. G. Karydas, Institute of Nuclear Physics; B. Perdikatsis, Technical University of Crete; G. Economou, Institute of Geology and Mineral Exploration, Greece, “A Scientific Approach for the Protection and Conservation of Outdoor Bronze Monuments in Athens. Case Study: Theodoros Kolokotronis”
- h:10.30-10.45** Nikos Georgiou Alevras, PhD. CIVIL ENGINEER, Greece, “The Rehabilitation of the building of « Lycée française du Salonique » 5-7, Iliados STR.”

HALL 3: Man made hazards

Chairpersons: I. K. Papaefthiou, Greece; Renato Iovino, Università degli Studi di Napoli Federico II, Italy; Amadi Blessing Lola, Nigeria

- h:09.00-09.30** **Key-Note Lecture**, Karaveziroglou-Weber Maria, Aristotle University of Thessaloniki Greece, “Bridge building in the first decades of the 20th century in Greece”
- h:09.30-09.45** Rodica Crisan, Mircea Crisan, University of Architecture and Urban Planning “Ion Mincu”, Romania, “2000 Restoration of the endless column by Constantin Brancusi/Tirgu Jiu, Romania: Challenges and solutions to the central spine problem”
- h:09.45-10.00** Marina Fumo, Antonella Di Gangi, Università di Napoli “Federico II”, Italy, “Lo stadio San Paolo di Napoli: evoluzione di un “capolavoro” e della sua area urbana”
- h:10.00-10.15** Sabato Cucciniello, Camilla Sansone, Università degli Studi di Napoli Federico II, Italy, “Shock tecnico funzionale da uso eccessivo del bene edilizio. Salerno: lo Stadio Vestuti di Camillo Guerra”

- h:10.15-10.30** Paolo Del Soldato, Collegio Ingegneri della Toscana, Italy, *"Edifici pregevoli per arte e storia: normativa vigente antincendio in Italia"*
- h:10.30-10.45** Giovanni Finzi-Contini, Università degli Studi di Firenze, Italy, *"Sub-fluvial car-traffic solutions for Pisa: a medieval city troubled by archaeological constraints"*
- h:10.45-11.15** **Coffee break**

SPECIAL SESSION

HALL 1-2-3: The Architectural Heritage of Dodecannese (Greece) built during 1912-1943 and other similar case studies in Europe

- h:11.15-11.45** **Key-Note Lecture**, Nina Avramidou, University of Florence, Italy, *"Competing against time and the ignorance"*
- h:11.45-12.00** Giorgio Sideris, Ministry of the Culture – Municipality of Kos, Greece, *"Proposal for the restoration of the building of the "eparchio" (seat of the province) in kalymnos"*
- h:12.00-13.00** **Closing ceremony**
- h:13.00-14.45** **Lunch offered by local authorities**
- h:14.30** **Departure for Embona Village: traditional dinner and dances**
